Over time nuts and bolts can loosen. Occasionally, check nuts and bolts, re-tighten if necessary.

Should any manufacturing defect arise within this warranty period, We will replace (at our option) any defective merchandise or parts upon proof of purchase; however, transportation and delivery costs, as well as payments to a third party for assembly or disassembly of the item, remain the responsibility of the purchaser. A purchaser of an "open box," previously-returned, or "clearance" item, as well as original purchasers outside of the warranty period, may obtain replacement parts from us for products in current production, at nominal cost.
